

# Harvard Curriculum Vitae

## **PART I: General Information**

**DATE PREPARED:** 01/25/06

**Name:** Kristin Ann Keefe

**Office Address:** Department of OB GYN  
Gynecologic Oncology  
Brigham and Women's Hospital / Faulkner Hospital  
1153 Centre Street, Suite 35  
Boston, MA 02130  
617-983-4GYN (4496)  
Fax: 617-983-7476  
617-983-7000 pager 66449

### **Education:**

1987 — 1992 M.D. Dartmouth Medical School, Hanover, NH

1980 — 1984 B.A. Bowdoin College, Brunswick, ME

### **Postdoctoral Training:**

#### Residency

1992 — 1996 Obstetrics/Gynecology, Brigham and Women's Hospital & Massachusetts General Hospital, Boston, MA

#### Fellowship

1996 — 2000 Gynecologic Oncology, University of California, Irvine Orange, CA

### **Licensure and Certification:**

2001 — Present Medical license, Commonwealth of Massachusetts

1996 — Present Medical license, State of California

2002 — 2003 Medical license, State of Connecticut

2001 — 2002 Medical license, State of Rhode Island

2000 — 2002 Medical license, State of New Hampshire

1992 — 1996 Medical license, Commonwealth of Massachusetts

1996 — Present Drug Enforcement Agency Certification (MA, CA)

2002 — Present Massachusetts Control Substance

**Board Certification:**

American Board of Obstetrics and Gynecology, 1/10/06

American Board of Gynecology Oncology; Candidate for Oral Exam - April, 2007

**Academic Appointments:**

2002 — Present Clinical Instructor in Obstetrics, Gynecology and Reproductive Biology, Harvard Medical School, Boston, MA

2002 — 2004 Associate Director of the Integrated OB GYN Residency Program, Brigham and Women's Hospital and Massachusetts General Hospital, Boston, MA

2001 — 2002 Assistant Professor in Gynecologic Oncology, Women and Infant's Hospital, Providence, RI

2000 — 2001 Assistant Professor in Gynecologic Oncology, Dartmouth Medical School, Hanover, NH

1996 — 2000 Clinical Instructor in Obstetrics and Gynecology, University of California, Irvine, Orange, CA

**Hospital or Affiliated Institution Appointments:**

2002 — Present Brigham and Women's Hospital/Faulkner Hospital, Boston, MA

2002 — Present Dana-Farber Cancer Institute, Boston, MA

2005 — Present Women and Infant's Hospital, Providence, RI

2000 — 2001 Dartmouth-Hitchcock Medical Center, Lebanon, NH

1996 — 2000 University of California, Irvine, Medical Center, Orange, CA  
Saddleback Memorial Medical Center, Laguna Hills, CA  
Orange Coast Memorial Hospital, Fountain Valley, CA  
Long Beach Memorial Medical Center, Long Beach, CA  
Fountain Valley Regional Hospital, Fountain Valley, CA

1992 — 1996 Brigham and Women's Hospital, Boston, MA

**Other Professional Positions and Major Visiting Appointments:**

2005 — Present House of Delegates, Massachusetts Medical Society, Plymouth District Delegate

2005 — Present Obstetric and Gynecology Delegation to China or South Africa, National Physician Ambassador Program, Physician Ambassador

2005 — Present The Healer's Art, Harvard Medical School, Instructor

2004 — Present The Wellness Community Greater Boston, Non Profit 501(c)(3) Organization, Professional Advisory Board Member

2003 — Present Medicine for Humanity, Non Profit 501(c)(3) Organization, Tax ID 88-0364635, Executive Board Member

September 25 — October 6, 2003

Mediator, Khwaja Yunusali Medical College and Hospital, Bangladesh, and Harvard Medical International

January 2004- Present Africa (Ethiopia, Kenya, and Eritrea); End Academy Inc.; Advisor on implementation of remote learning in OB/GYN

**Hospital and Health Care Organization Service Responsibilities:**

1996 — 2000 Organized all research related to Photodynamic Therapy (PDT) in gynecologic diseases at Beckman Laser Institute, Irvine, CA

**Major Committee Assignments:**

2002 — 2003 BWH Ethics Committee, Teaching Hospital  
2002 — 2004 Medical Library Committee, Harvard Medical School and Brigham and Women’s Hospital, Teaching Hospital  
2002 — 2003 BWH Education Committee, Teaching Hospital  
2000 — 2001 SGO Bylaws Committee, National

**Professional Societies:**

2005 — Present Association of Reproductive Health Professionals, reference number P7332  
2002 — Present Massachusetts Medical Society, reference number 221022  
2002 — Present American Medical Association  
2001 — Present ASCO  
2000 — Present SGO Candidate Member, reference number 3063  
1992 — Present American College of Obstetrics and Gynecology (ACOG), reference number 0410208  
1991 — Present Alpha Omega Alpha National Honor Society

**Community Service Related to Professional Work:**

February, 2006-present Advisor to the production of a book on Menopause; Sharon High School, Sharon, MA  
September, 2005-present: Advisor to the Wellness Committee at Sharon Middle School, Sharon, MA  
January-present, Biology tutor for Canton public schools.  
January 24, 2005 Canton Club, Canton, MA, speaker, “Surviving Cancer”  
January 2005 Harvard Macy Institute, Health Science Educator Program, small group facilitator  
January 2005 Gynecologic Cancer Foundation, National Cervical Cancer Awareness Month, volunteer speaker, “Cervical Cancer Screening and Prevention”  
August, 2004 Discussant of video: The Pursuit of Pleasure, Museum of Fine Arts, Boston, MA. With producer Dr Maryanne Galvin.  
October 12, 2004 Dana Hall School, Wellesley, MA, speaker, “Breast Cancer Across the World”  
April, 2004 Sexuality in Adolescent high school students, Sharon High school.  
June 12, 2003 The Wellness Community — Greater Boston, design and teach seminar, “Body Image and Sexuality: The Challenges of a Cancer Diagnosis for Women”  
December, 2003 The Sharon Rotary Club, Major Depression.

- April 1, 2003 “Human Sexuality after Fifty,” speaker, Our Lady of Sorrows Catholic Church
- August 2002 Monthly year long seminar “The Wellness Community — Greater Boston, design and teach this seminar along with psychologist and art education. Topics included “Post-Operatively Hormone Replacement Therapy” “Sexuality and Body Image for the Cancer Patient Pre-operatively and Post-Operatively”

### **Editorial Boards:**

American Journal of OB/GYN, ad hoc reviewer

### **Awards and Honors:**

- 2004 & 2005 Massachusetts Business Woman of the Year, Business Advisory Council, National Republican Congressional Committee
- 2003 Harvard Macy Scholar
- 2003 Nominated for the Mary Horrigan Connors Women Physician Leadership Award, Brigham and Women’s Hospital, Boston, MA
- 2003 Thomas Compassionate Care Award, Brigham and Women’s Hospital, Boston, MA
- 2002 Partners in Excellence Award for Outstanding Performance and Commitment to Excellence, Partners HealthCare Systems
- 1997 Clinical Poster Award, 29th Annual Meeting of the Society for Gynecologic Oncology
- 1992 Saul Blatman Maternal and Child Health Award, Dartmouth Medical School, Hanover, NH
- 1992 Janet M. Glasgow Memorial Achievement Award, Dartmouth Medical School
- 1991 Alpha Omega Alpha, National Medical Honor Society

## **Part II: Research, Teaching, and Clinical Contributions**

### **A. Funding Information (note if for research, education, or clinical applications)**

- 1-01-03 — 12/31/08 Keefe KA NIH/R01, site PI at Brigham and Women’s Hospital  
Spectroscopic imaging and diagnosis of Cervical Neoplasia, Site PI, \$7 Million, MIT
- 9-01-02 — 6-30-04 Keefe KA NIH/NCI Phase II trial of HSP-E7 & Treatment of CIN II/III  
R21 CA92933

1998	NIH	Tadir Y / Keefe KA	Photodynamic Therapy (PDT) of Benign Uterine Disease NIH 1R01-HD34091-AP, \$500,000
1997	DUSA Pharm.	Tadir Y / Keefe KA	Photodynamic Therapy (PDT) of CIN with ALA

**B. Report of Current Research Activities (bench research, clinical trials, outcome studies, efficacy studies as applicable)**

1. Investigation of the use of MC Neurotechnology in the science of learning pre-and post-operatively with Linda Samuels, MSc, MBA.
2. Depression/Anxiety and Post Traumatic Stress Disorder in Cancer Patients
3. Exercise Intervention in Cancer Patients
4. The Effects of Showing Slides and Photographs to Patients of their Tumors Pre and Post Operatively

**C. Report of Teaching**

1. Local contributions

2002-Present: Brigham and Women's Hospital General Surgical Residents and Tufts Medical Students at Faulkner Hospital (daily)

2002-2003: Brigham and Women's Hospital OB/Gyn Residents and Harvard Medical Students — Wednesdays PM in OR as well as periodic designated physician of the week (daily)

2003: Development of the Train the Trainer Course for Gynecologic Oncology, to be implemented in third world countries.

2002-2003: Faculty member at Harvard Medical School in teaching the Harvard Medical Students in their core OB GYN clerkship

2003: Examiner in the Annual Harvard Medical School Second year Objective structured Clinical Exam (OSCE)

2003 Harvard Medical School, Healers Art, Discovering and Nurturing Your Wholeness, Boston, MA

2003 Harvard Medical School, Healers Art, Sharing Grief and Honoring Loss, Boston, MA

2003 Harvard Medical School, Healers Art, Loss and Grief, Boston, MA

2003 Harvard Medical School, Healers Art, Beyond Analysis: Allowing Awe in Medicine, Boston, MA

2003 Harvard Medical School, Healers Art, The Care of the Soul, Boston, MA.

2003 Harvard Medical School Fifth Annual Faculty Retreat. The Student-Teacher

- Encounter. Boston, MA.
- 2003 Faulkner Hospital, Medical Grand Rounds, The Adnexal Mass and Ovarian Cancer, Boston, MA
- 2003 Harvard Medical School, Mentored Casebook Project Intergration of Diverse Competencies, Boston, MA
- 2003 Harvard Medical School, Classroom to Clerkship Transition Course, Boston, MA
- 2003 Harvard Medical School, Grand Rounds, HPV Natural History, Female Sexual Dysfunction, and Postmenopausal Bleeding, Boston, MA.
- 2003 Harvard Medical School, Clinical Anatomy of the Female Reproductive System, Boston, MA.
- 2003 Brigham and Women's Hospital, Prime of our Lives, Cancer Prevention, Boston, MA
- 2003 Faulkner Hospital, Cervical Smears and Ovarian Disorders, Boston, MA
- 2003 Brigham and Women's Hospital, Advances in the Management of Cervical Cancer, Boston, MA
- 2003 Harvard Medical International, Harvard Macy Scholars, Boston, MA
- 2003 Role of Human Papillomavirus and Cervical Dsyplasia, Bangladesh
- 2002 Dana-Farber Cancer Institute Women's Cancer Program. Lecture: Intimacy, Sexuality and a Sense of Well Being. Boston, MA
- 2002 Brigham and Women's Hospital, Internal Medicine Faculty, Current Controversies and Management Issues of Abnormal Pap Smears, Boston, MA

### **Regional, national, or international contributions**

2006-present: Advisor for the development of a Women's Health program in Tebego, Trinidad

2005-present: Physician executive in the development of telemedicine for medical staff and medical students in Bangladesh as well as the lead physician in the recruitment of physicians to this country

2003 "The Role of Human Papillomavirus in the Development of Cervical Intraepithelial Neoplasia and Cancer", Bangladesh

2001 Dartmouth-Hitchcock Medical Center, "Ovarian Cancer: Facts and Fiction", Lebanon, NH

2001 Society of Gynecologic Oncologists, "Chemotherapy and Radiation for Ovarian and Vulvar Cancer", Snowbird, Utah

2001 Dartmouth-Hitchcock Medical Center, "Post-operative Management of Gynecologic Oncology Patients", Lebanon, NH

2001 International Conference on Cervical Carcinogenesis, "Spontaneous Regression of Cervical Intraepithelial Neoplasia", Baltimore, MD

1999 The 22nd Annual Review Course in Clinical Obstetrics and Gynecology, University of

- California, Irvine, “Abnormal Pap Smear”, The Westin South Coast Plaza Hotel, Costa Mesa, CA
- 1999 Long Beach Memorial Medical Center, “Controversies in Management of Abnormal Pap Smears, Long Beach CA
- 1998 Planned Parenthood, “Cervical Disease: Prevention and Treatment with Photodynamic Therapy
- 1997 UCI Medical Center Grand Rounds, “Will eating more carrots and fish prevent cervical disease? A review of chemoprevention of intraepithelial neoplasia”, Orange, CA
- 1997 UCI Medical Center Resident Lecture, “Management of the abnormal Pap smear,” Orange, CA
- 1997 UCI Medical Center, Chao Family Comprehensive Cancer Center, Screening and Early Detection of Cancer for the Primary Care Physician, “Pap smear under fire; is it a victim of its own success?”, Orange, CA
- 1997 UCI Medical Center Retreat, “Chemoprevention of cervical disease biology and chemoprevention of pre-neoplasia”, Orange, CA
- 1997 UCI Medical Center Grand Rounds, “Modern Management of Ectopic Pregnancies”, Orange, CA
- 1997 International Conference on Nutrition and Cancer, “Chemoprevention of Cervical Intraepithelial Neoplasia”, Irvine, CA

#### **D. Report of Clinical Activities**

Other relevant information about clinical role (receipt of clinical awards, locally or nationally, invitation to participate in clinical activities at other sites, special recognition by peers or professional organizations as a leader in a clinical field)

1. Developing Project Exploring Female Sexuality, Partners HealthCare System
2. Developing a Course with John Hopkins (Dr. Clifford Wheelless) and UCLA (Dr. Leo Lagassee) Vesicovaginal and Rectovaginal Fislula Repair in Third World Countries.
3. Development of theMorgan H Keefe Center for Gynecology and Gynecologic Oncology Web Site ([www.keefewomenscenter.com](http://www.keefewomenscenter.com)) for my S corporation (2003) with RMD Publishing, Inc.
- 4 Development of S corporation dedicated to Womens’ Health gynecology, gynecologic oncology, acupuncture and herbal edicine, psycholotherapy focusing on mind-body interactions, osteopathic medicine and nutrition, life-skills coaching, reike, massage and lymphedema, etc); (Tax ID: 7316854080. Faulkner Hospital/Brigham and Women’s Hospital, Boston, MA

## Part III: Format for Bibliography
